

BHS Summer Learning

Celebrating Success

Summer 2021 Learning Offerings

K-8 In Person

Conant Elementary welcomed 325-355 students each day for 8 weeks.

Work with grade level literacy & math concepts

Physical Education and socially distanced interaction with peers each day

9-12 In-Person support

The Model Center was open three days / week for access and support

K-8 Virtual

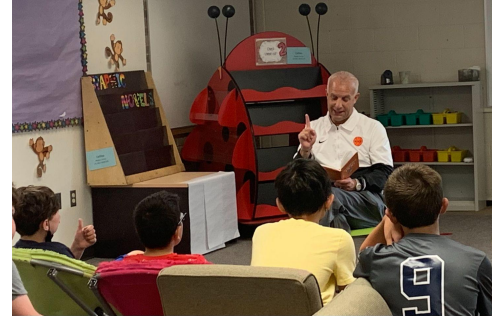

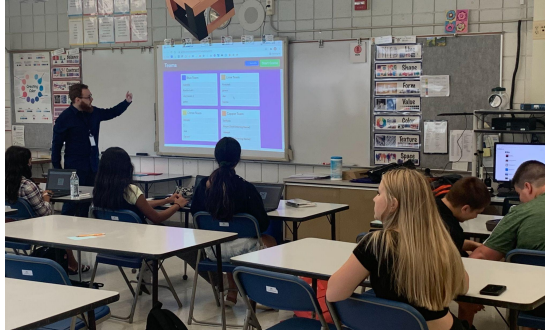

Three sessions per week with grade level literacy & math concepts was provided to create learning continuity and schedule flexibility.

9-12 Virtual

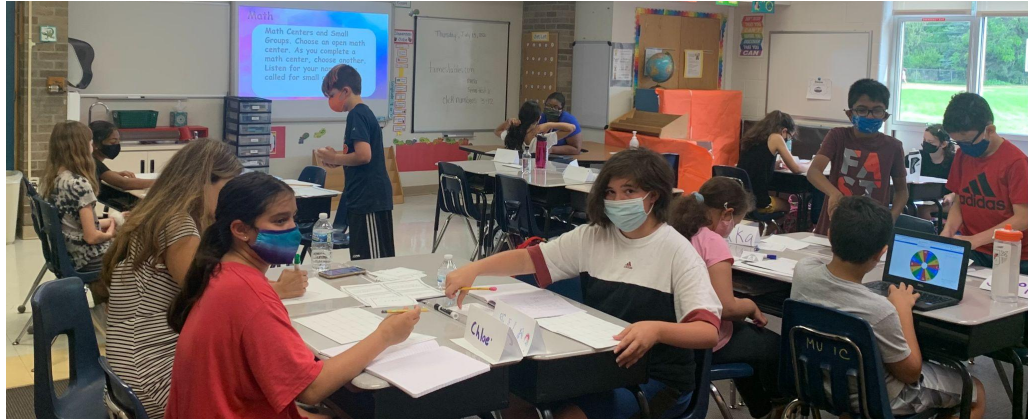

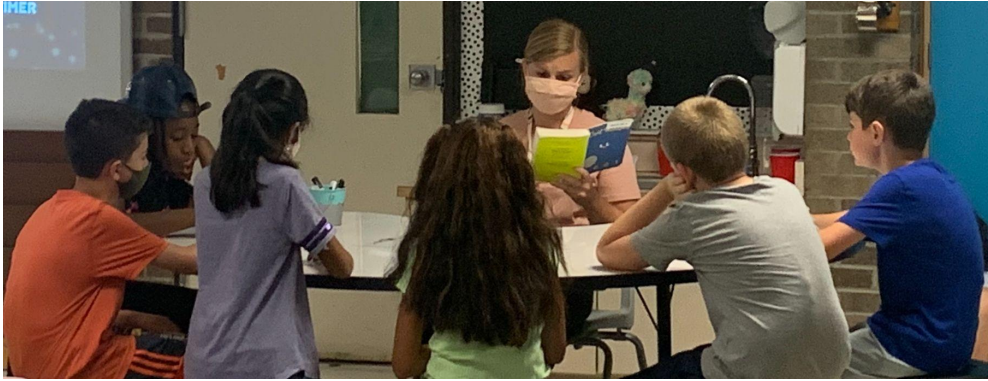

BHHS students engaged with 232 courses across the summer months.

Courses were offered for Credit Recovery, Grade Improvement, and to achieve credit for graduation requirements through summer months.

Stories of Success

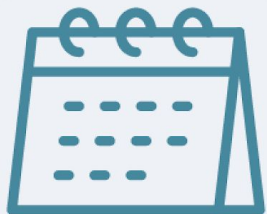

Stories of Success

Stories of Success

- Our staff brought incredible energy and care to their work each day!
- Daily experiences with reading, writing, & math to support academic growth
- Games, outdoor play, & physical education class all promoted social interactions and built new friendships.
- For many students, the in-person academy afforded their first, full face-to-face interaction with grade level groups since March of 2020
- This allowed for a students to transition back to full-time learning in the fall with re-establishing routines and social interactions
