About the Robert C.J. Traub Memorial Scholarship Travel Fund

The Robert C. J. Traub Memorial Scholarship Travel Fund was established by Elizabeth Taylor Traub in loving memory of her husband, Robert C. J. Traub (1867-1950) who, throughout his life, was deeply interested in art and music, and who sought in many ways to encourage the cultivation and expression of artistic and musical talents.

July 18, 1956
