

Career Insights: Medical Professions-Part 1

IABusinessCoalition@gmail.com

Dr. Anna Groebe (Pediatrics)

- Native of Metro Detroit.
- Graduated from University of Michigan with a BS in Biology.
- Attended Michigan State University College of Osteopathic Medicine.
- Completed pediatric residency at Children's Hospital of Michigan.
- Began private practice with a group in 2009.
- Moved to Bloom Pediatric in 2014 to become a partner and owner with 2 other female doctors.
- Enjoys general pediatrics and caring for families.

Dr. Shashin Doshi (Radiology)

- Attended a 7-year BS/MD program at UCLA with a major in Biomedical Science and a minor in Political Science.
- While in med school, I was interested in vascular surgery, cardiothoracic surgery, and especially radiology.
- Completed internship, residency, and fellowship at Northwestern University in Chicago.
- Became an Assistant Clinical Professor at Beaumont Hospital at 2007.
- Went from practicing diagnostic and interventional musculoskeletal radiology to practicing trauma and general radiology in the ER.
- Still involved in clinical research and teaching through the OUWB School of Medicine.

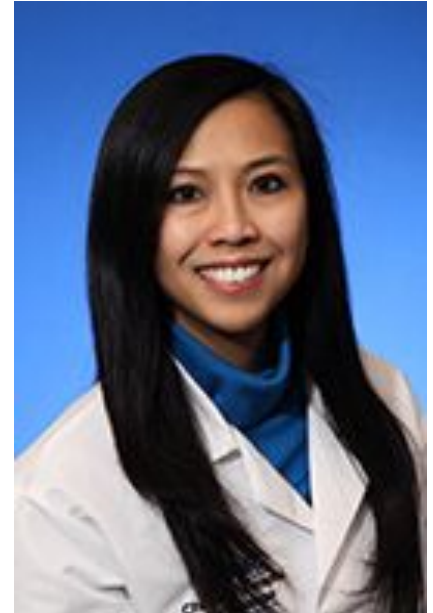

Dr. Asra Hamzavi (Psychiatry)

- Graduated from Lahser High School (now BHHS) in 1992.
- Received Bachelors in Biopsychology from the University of Michigan, Ann Arbor.
- Completed Masters in Biology from Wayne State University.
- Then attended Michigan State University - College of Osteopathic Medicine and completed a one-year internship at Providence Hospital.
- After spending 4 years at home with her kids, she resumed her residency in General Psychiatry at Henry Ford Hospital.
- currently a board-certified, adult outpatient psychiatrist & the founder of Hamzavi Psychiatry and Wellness Center.
- She has spoken on various topics, from mental illness, to the impact of digital technology on the individual and relationships.
- The hardest role she has played thus far is "business owner", but she feel it's worth it.
- Proud mom of 4 children
- She has remained active in leadership roles and community service.

Dr. Lara Kothari (Pediatrics)

- Attended Duke University with a major in Biomedical Engineering.
- Interned as a research assistant for a Cardiologist who won a Nobel Prize in Chemistry.
- Attended University of Michigan Medical School.
- Moved to Baltimore for my pediatric residency at the University of Maryland 1998-2001, and stayed 2001-2002 as Pediatric Chief Resident. In 2003, I moved to Boston, MA and worked as a Pediatric Hospitalist at the Boston Children's Hospital and was a Clinical Instructor at Harvard University Medical School.
- Enjoyed taking care of complex acutely ill pediatric patients
- Academically, I enjoyed teaching medical students and residents, and I did a one year education fellowship through the Harvard Academy.
- Awarded a Harvard Med School clinical teaching award in 2012.
- Created medical based educational programs.
- In 2013, I moved to Michigan and joined the Children's Hospital of Michigan in Detroit.
- Passionate about paying it forward, by promoting excellent pediatric care and positively impacting the next generation.

Cyril Davis (RN)

- Worked 15 years in law enforcement
- Enrolled at Oakland Community College and obtained his Associate Degree in Nursing with honors.
- Became a emergency room registered nurse.
- Then he received his bachelor's degree from Chamberlain University
- Is currently in his second year at Wayne State Doctor of Nursing Practice (DNP) program with a Psychiatric Mental Health Nurse Practitioner (PMHNP) clinical specialty.
- Is the Nurse Manager at Lakes Depression Clinic, located in West Bloomfield, Michigan.
- He contributes his time as a motivational speaker and mentor to encourage and motivate future and current first responders to overcome obstacles and bridge the gap between civilians and law enforcement.

Cyril Davis RN, BSN
SPRAVATO® Staff Manager
Lakes Depression Center

Melissa Langnes (RN)

- Is a registered nurse and the supervisor of Employee Health and Safety at Henry Ford West Bloomfield Hospital.
- Nursing is a second career for her.
- She majored in Spanish and Human Resource Management at Western Michigan University.
- She obtained a Masters Degree in Organizational Management before deciding to switch career paths and become a nurse.
- She obtained an Associate Degree in Nursing from Oakland Community College
- Has worked in several nursing specialities including case management, informatics, cardiology, and intensive care.
- Enjoys spending time with her family, including helping her three sons pursue their interests and goals.
