BEFORE THE SCHOOL YEAR ENDS...

Look at what is required by the colleges to which you are applying from the Naviance search you did. If you need a recommendation letter, initiate a conversation with one or two academic teachers (depending on how many letters are required) who would write a positive letter of recommendation for you.

HOW TO REQUEST A TEACHER LETTER

Official teacher letter requests will be made through Naviance and will not be available until we return to school.

This process will be reviewed during the mandatory senior meeting in September.

COUNSELOR LETTER OF RECOMMENDATION

If a college requires a letter of recommendation from your counselor, you must complete the Student Questionnaire and have a family member complete the Parent/Guardian Questionnaire (check the college/universities website)

[Student Questionnaire](#)

[Parent/Guardian Questionnaire](#)

NCAA

- If you are planning to participate in collegiate-level athletics you should have already registered on the NCAA Clearinghouse. If you have not, you must do so **before the school year ends** (transcripts are sent to NCAA in June)
- Website: [NCAA Eligibility Center](#)
- School code: 850251
- Must send ACT/SAT to Clearinghouse; use code 9999
- It is your responsibility to track and monitor NCAA requirements

JUNE

- You will receive a letter home regarding your graduation status
 - Check your transcript carefully
- In the fall 2022, you completed your college search using Naviance and you should have already added at least 3-5 colleges to your “**Colleges I’m Thinking About**” list
- You can continue to add or remove schools as you continue to research colleges

The screenshot displays the Naviance Student web application interface. At the top, the navigation bar includes links for Home, Self-Discovery, Careers, **Colleges** (highlighted with a red circle), and Planner. A red arrow points from the 'Colleges' link to the search bar below. The search bar contains the text 'Search for Colleges' and a search button. Below the navigation bar, the main content area is divided into two columns. The left column, titled 'Welcome Bloomfield Hills High School Black Hawks!', contains a message from the School Counseling Office and a 'Read more' button. The right column, titled 'My Favorites', lists four categories: COLLEGES (I'm thinking about), COLLEGES (I'm applying to), CAREERS AND CLUSTERS (I'm thinking about), and SCHOLARSHIPS & MONEY (Favorite Scholarships). The second 'COLLEGES' item is highlighted with a red circle, and a red arrow points from it to the bottom right corner of the page. The bottom of the page features two teal-colored sections: 'Important To-Dos and Tasks' and 'What's New'. A 'Show Me How' button is located in the bottom right corner.

WHAT TO DO OVER THE SUMMER (CONT.)

****Do not send your application to a college until after school starts in the fall****

- Begin working on your applications: Follow directions carefully!

- Watch for the fall 2023 college applications to be posted to college websites (July/August)
- [Sign Up Here](#) to attend Summer Bootcamp
- Common Application goes live on August 1 but you can create an account now and it will rollover to the new cycle
 - Common App tab section only

COMMON APPLICATION VS. COLLEGE/UNIVERSITY-SPECIFIC APPLICATION

Common Application:

- Same application is accepted by 1,000+ colleges
- Common Application has a mobile app as well

College/University-specific Applications:

- Accessed directly through each school's website and only used for that specific school
- Some colleges offer the choice to use the CA or a school-specific app

- There's a secret formula

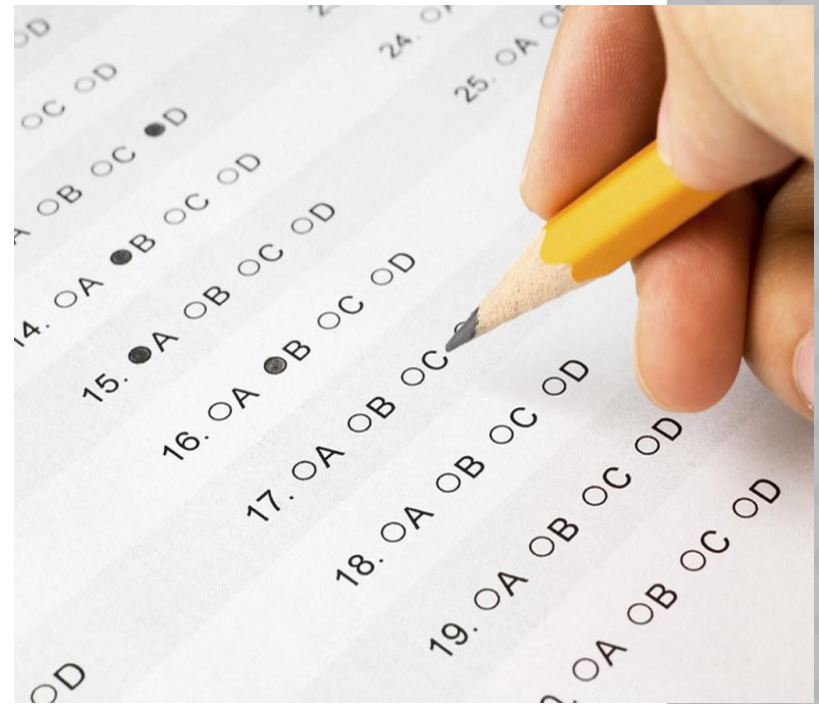

ESSAY TIPS

- Understand the prompt
- Brainstorm ideas
- Focus on a theme
- Speak from the heart/ use your voice
- Think about “what do I want people to know about me”
- Have a peer/adult read your work

WHAT DOES IT MEAN TO APPLY “TEST OPTIONAL”?

- Not all colleges will require students to submit an ACT/SAT test to complete an application
- It is your responsibility to monitor application requirements
- One resource that lists test optional schools is [fairtest.org](https://www.fairtest.org)
[Fair Test Website](https://www.fairtest.org)

***We highly advise you ALWAYS double check this on the colleges' websites**

NAVIANCE: NEXT STEPS

Once you have determined which colleges you are applying to, you must shift all of those schools from the “**Colleges I’m thinking about**” page to the “**Colleges I’m applying to**” page on Naviance
