

Hello Black Hawk Community - Today is Friday, September 29th and this is the Hart-ley Beat, Homecoming Edition.

Next week is our annual celebration of school community and spirit. We are looking forward to all of the fun activities and seeing our school come together to celebrate being a Black Hawk. Parents - Homecoming is always a good time to have conversations with your student regarding making responsible decisions and avoiding risky behavior. We want all of our students to have fun in a safe and responsible way!
