

DK-5 Math Resource Recommendation

May 23, 2024

Purpose:

To research, review, and prepare to implement an aligned, high-quality Developmental Kindergarten-Fifth Grade Math Resource for the 2024-25 school year.

Recommendation for Bloomfield Hills Schools
to purchase and implement *Bridges in Mathematics 3*
in DK-5 classrooms in the 2024-2025 school year

Bridges Program Highlights

Problem Based
Learning with
Fluency and Skill
Practice

Extension &
Differentiation
Opportunities

Strengthens
Reasoning, Problem
Solving and
Connections across
Concepts

Rigorous &
Challenging

Hands on
Manipulatives and
Tools

Expands
Opportunities for
MathTalk

Alignment with
Michigan
Academic
Standards and
Math Practices

Conceptual
Understanding
Focus

Strong
Vertical/Spiral
Progression

Implementation Inventory
